AMERICAN TRAKEHNER ASSOCIATION'S 50TH ANNIVERSARY CELEBRATION

Please see the sponsorship packages, custom designed to provide multiple social media, advertising opportunities, and other benefits available as we lead up to our organization's incredible 50th Anniversary celebration at the World Equestrian Center in Ocala Florida this fall, October 8th - 11th. We're seeking support from businesses or individuals that share our passion for the Trakehner Horse and would like to leverage our many advertising platforms to reach our extended social media audience of international members and friends. The ATA has a long standing history of being the only Trakehner registry in North America recognized and affiliated with the Trakehner Verband. The ATA is also the North American Trakehner member of the World Breeding Federation of Sporthorses. Trakehners are a spectacular and invaluable breed having been declared a UNSECO Intangible Cultural Heritage. They successfully represent on the international stage in all three Olympic disciplines, including having been on United States and Canada teams for Olympic, Pan American and World Equestrian Games, as well as other Championship teams. We hope you find a sponsorship option that fits neatly into your advertising strategy but if not, please reach out to us to discuss how we can partner this year in support of this historic event. We also welcome in kind donations from family, friends, and those organizations with whom we work closely in return for the same levels of benefit.

Contact ATA Treasurer Laurie An Lanpher at LanpherL@yahoo.com should you have any questions. Please also copy our Executive Director Kathryn Krische at ata@americantrakehner.com on any correspondence.

If you haven't yet registered for the Annual Convention, please do so here:
<https://americantrakehner.com/events-news/annual-meeting/>
